

NAME: Stretch

GENDER: Male

BIRTH DATE: April 3, 2022

Stretch came to 4Paws with his brother Snurf, who has since been adopted from the café. Stretch has made new friends with the other cats at Meows Corner and has matured into a lovely young man. He is naturally curious about his surroundings and will run into the front room to get a closer look at what is happening outside. He also wants to follow the staff into the back room when they are preparing breakfast and dinner. He is a playful chap but also has a loving,

affectionate quality about him. Stretch would do well in a home with a lot of activity and with kids of all ages. He would do well with friendly dogs if appropriate introductions were made. He should probably go to a home with another cat to keep him company.

Stretch has been vaccinated against rabies and distemper, neutered, and microchipped. He tested negative for FIV and FeLV. He is eating Fancy Feast classic pate and Purina One Indoor Advantage at Meows Corner.
