

NAME: Faith

GENDER: Female

DATE OF BIRTH: August 2, 2022

Faith is a happy, playful young lady that was found outside by her rescuer in West Virginia. She is a pretty gray tabby with cute white socks and long whiskers and a round face. Faith is a gentle, funny little kitten that likes playing with the other kittens in foster. She initially was scared and took a couple weeks to begin to solicit interactions from her foster but now climbs on top of things to get close for greetings and pets. Faith would do well in a home as an only cat or with other cats and should get along with gentle dogs if appropriate integration protocols are followed. She

would do best with older children (8+ years) who can patiently let her integrate into her new environment at her own pace.

Faith prefers to eat from her own bowl of kibble rather than the communal bowls placed around the foster room. She is also picky about what flavors of wet food she is served. She has had her vaccinations, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.

Faith likes both wet and dry food. She is eating Fancy Feast classic pate and Purina One kibble.
