

NAME: Christoff

GENDER: Male

DATE OF BIRTH: June 25, 2021

Christoff is a handsome DMH orange marmalade tabby. He was surrendered to 4Paws with three of his six siblings, his mother, and two half-siblings. These cats were being cared for by a couple on public assistance in Manassas. Although they couldn't afford vet care, they provided food, litter, and love to the large family living in their yard. When they needed to move in with family in Front Royal, they called 4Paws to help them get the cats proper vet care and find them good homes.

Christoff is a calm, confident cat with a playful side. When he isn't chasing toys, he likes to interact with people and get gently petted. He spent his time in foster quietly observing the other cats in the foster room and looking out the back door at the visiting birds and squirrels. He is tolerant of many other cats being around if they have been properly introduced. Christoff would do well on his own but would most likely prefer to have the company of another animal in the house. He has not been around young children but should do well if they are respectful. He has never been around dogs but is relatively young so could probably do well with a friendly, calm dog.

Christoff has had his vaccinations, is microchipped, and has been neutered. He has tested negative for FeLV and FIV.

Christoff likes both wet and dry food. He is eating Fancy Feast classic pate and grilled varieties and Purina One kibble.
