

NAME: Garfield

GENDER: Male

DATE OF BIRTH: June 22, 2023

FUR LENGTH: Short

COLOR: Orange tabby

Purrsonality: I am a happy and casual young cat. I like everybody and am submissive to other cats. I am playful but not aggressive in my attention-seeking.

Children? I would do well with kids of any age.

Other cats? I like other cats but don't need one if my human family gives me enough mental and physical stimulation.

Dogs? I should do well with friendly dogs.

Background: Garfield and his sisters Journey and Sparrow were found in West Virginia as young kittens and taken into rescue. Sparrow was transferred to Meows Corner but Garfield and Journey were adopted by one of the fosters, who had to move suddenly and gave them to Meows Corner to be re-homed.

Medical or special care notes: Garfield is vaccinated for rabies and distemper, microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble.
