

NAME: Rakel

GENDER: Female

DATE OF BIRTH: September 1, 2022

FUR LENGTH: Medium

COLOR: Buff/seal point

Purrsonality: I am a playful yet calm and quiet kitty. I will zoom around the room after dinner, but only in short spurts – I wouldn't want to work up a sweat because I have to remain beautiful! I approach my foster mom for pets and eye contact to let her know she makes me happy. I like to boss the boys around, and if two start exchanging words I am right there to referee their little spat and let them know I will not tolerate my loyal subjects fighting amongst themselves.

Children? I would do well with respectful kids of any age.

Other cats? I can be the only cat or live with a boy cat who knows I am the boss.

Dogs? I should do well with friendly dogs.

Background: Rakel is from Kuwait, where it is common for people to sell kittens of desirable breeds without regard for their health or the health of the mother/father cats. Rakel's human had bred her when she was 7 months old and then threatened to put her and her 4 kittens outside when he couldn't sell them. Thankfully an animal rescue intervened and they were transferred to the US for adoption. Her kittens were adopted from Meows Corner, and now it is Rakel's turn!

Medical or special care notes: Rakel is vaccinated for rabies and distemper, microchipped, and has been spayed. She has tested negative for FeLV and FIV. She is eating Fancy Feast classic pate and Purina One kibble.
