

NAME: Dude

GENDER: Male

DATE OF BIRTH: October 19, 2020

Dude is a playful, friendly boy that came to 4Paws as an owner surrender in West Virginia. He is a friendly, outgoing, and happy boy, and welcomes play from humans and cats alike. He gets the hint when meeting new cats that don't want to be his friend yet and will not escalate stand-offs.

Dude should do well in a multi-pet family and with kids of all ages. He gets the zoomies after dinner and will tear around the room chasing spring toys and balls. Dude should be OK with dogs if he is properly introduced. He likes other cats and will engage in play with younger cats.

Dude has had his vaccinations, is microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble. He prefers the dry food and drinking water out of a fountain.
