

NAME: Mouse

GENDER: Female

DATE OF BIRTH: March 15, 2023

FUR LENGTH: Short

COLOR: Grey/white tabby

**Purrsonality:** Mouse is initially shy with new people but wants to be friends and will respond to gentle touches and pets. She likes other cats and people with a lower energy. She is playful and likes chasing string toys and laser pointers. Mouse will also lie down near a window to observe the birds and squirrels while she drifts off for a cat nap.

**Children?** Mouse should do well with respectful older kids.

**Other cats?** Mouse would do great with other friendly cats.

**Dogs?** Mouse would do well with friendly dogs after proper introductions.

**Background:** Mouse was turned over to a West Virginia rescue when her owner could no longer care for her.

**Medical or special care notes:** Mouse has had vaccinations for rabies and distemper, is microchipped, and has been spayed. She has tested negative for FeLV and FIV. She is eating Fancy Feast classic pate and Purina One kibble.
