

NAME: Licorice

GENDER: Female

DATE OF BIRTH: June 1, 2022

FUR LENGTH: Short

COLOR: Tortie

Purrsonality: Licorice is a sweet and calm girl who would much rather make friends with everyone than stir up trouble. She is quick to rub on you and solicit pets. She likes sitting in the sun and regular meals.

Children? Licorice would do well with kids of all ages if they are respectful when handling her.

Other cats? Licorice likes cats but can be an only kitty.

Dogs? Licorice has not been tested with dogs but should do OK with friendly, calm dogs after proper introductions.

Background: Licorice and her friend Bogart (already adopted) were found in cat carriers that had been set out in a parking lot in Fairfax City. They were placed near some trees so they were a little protected from the rain, but they were both wet and had been out there a while before a college student cutting across the parking lot heard them crying and took them home. He was near the Fairfax PetCo so went in and asked if they knew anyone he could call. Since 4Paws holds monthly adoption fairs there, the staff gave him 4Paws' contact information. Licorice and Bogart entered foster for Meows Corner but Bogart was introduced to an applicant and adopted before he could go to the café with Licorice.

Medical or special care notes: Licorice has had vaccinations for rabies and distemper, is microchipped, and has been spayed. She has tested negative for FeLV and FIV. She is eating Fancy Feast classic pate (no fish flavors) and Purina One Indoor Advantage turkey.
