

NAME: Clarice

GENDER: Female

DATE OF BIRTH: March 1, 2023

Clarice and 3 other grey tuxedo cats were rescued from a bad hoarding situation in West Virginia. A 4Paws partner rescuer was the only person allowed onto the property by the paranoid homeowner. She was able to convince him to let her take some of the friendly cats for rehoming. She left with 4 grey tuxedos – Bronson, Clarice,

Vashti, and Juno. Bronson and Clarice are ready to come to the café and make new friends.

Clarice is a friendly girl with a white moustache. She likes people and other cats. She and Bronson greet each other in the foster room and, although they aren't bonded, they would make a good pair if someone is looking to adopt two cats. She would do well in a home with kids of all ages and other cats. She would probably do OK with a calm, friendly dog. Clarice tends to enjoy quieter places in the foster room where she can relax on her own without interruption. She will come down from her high sleeping place to mingle with the other cats at feeding time. She is still a little nervous about being picked up but given her background she is well-socialized and happy.

Clarice has had her vaccinations, is microchipped, and has been spayed. She has tested negative for FeLV and FIV. She is eating Fancy Feast classic pate and Purina One kibble.
