

NAME: Gracie

GENDER: Female

DATE OF BIRTH: July 16, 2014

FUR LENGTH: Short

COLOR: Cream with faint flame point

Purrsonality: I am a mature lady who likes to nap in hidey-holes and get gentle pets from my people. I prefer quiet, casual settings where I can relax and watch the world go by.

Children? I would do well with respectful kids 12+.

Other cats? I don't mind other friendly cats but could go by myself too.

Dogs? I should do Ok with dogs if they don't bark a lot and are calm.

Background: Gracie was turned over to a West Virginia rescue when her owner could no longer care for her due to health reasons.

Medical or special care notes: Gracie is vaccinated for rabies and distemper, microchipped, and has been spayed. She has tested negative for FeLV and FIV. Gracie gets dark tear stains under her eyes which are harmless and can be cleaned with a damp warm cloth. She is eating Fancy Feast classic pate and Purina One kibble.
