

**NAME:** Darby

**GENDER:** Male

**DATE OF BIRTH:** October 29, 2020

**FUR LENGTH:** Short

**COLOR:** Gray

**Purrsonality:** Darby is a handsome fellow who is looking for somewhere calm and quiet to call his home. He is happiest in a warm, snuggly bed where he can relax and not worry about having to navigate the social pressures the more outgoing cats put on him. He would rather be off by himself or with his human friends, enjoying a good TV drama or perhaps some British humor like Monty Python. He doesn't have much to say and tries to stay out of the way, especially when the more active cats start socializing or romping around raising the noise level. Darby isn't very comfortable being picked up but will tolerate it. He also isn't a cat that needs attention from people but will accept gentle pets from humans.

**Children?** Darby would do best with older kids, 10+.

**Other cats?** Darby is submissive and would do well with other neutral, more mature cats 3+ years, or he can go as an only cat.

**Dogs?** Darby has never been around dogs but should do OK with friendly, calm dogs after proper integration protocols.

**Background:** Darby was living with Meows Corner alum Stir Fry in Martinsville, West Virginia. They were in foster after their owner gave them up.

**Medical or special care notes:** Darby tested negative for FeLV and FIV and have been microchipped. He has had rabies and distemper vaccines. He has been neutered. He likes both wet and dry food and prefers to drink water from a fountain. He is eating Fancy Feast classic pate and Purina One Indoor Advantage turkey kibble.
