

NAME: Nema

GENDER: Female

DATE OF BIRTH: Aug. 26, 2024

FUR LENGTH: Short

COLOR: Brown tabby

Purrsonality: I am a young girl that my rescuer called “overwhelmingly friendly” and I get along well with other cats. I love attention from humans and will run to you for pets and will try to climb onto you.

Children? I would do well with kids of any age.

Other cats? I like other cats and since I am young I would do best with a kitty playmate.

Dogs? I should do OK with dogs after proper introductions.

Background: An independent rescuer would occasionally feed Nema in one of her “cat alleys” in D.C. Assumed to be someone’s outdoor cat, she showed up to feed in late May 2025 and she was very pregnant. She came the next night, and it was obvious she had given birth. Her kittens couldn’t be located. In July she appeared to feed and was pregnant again, so the rescuer got her into a carrier into foster for proper care. Now she is ready for her forever home!

Medical or special care notes: Nema has had vaccinations for distemper and rabies, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.
