

NAME: Pookie

GENDER: Female

DATE OF BIRTH: January 3rd, 2023

FUR LENGTH: Short

COLOR: Calico

Purrsonality: Pookie is an outgoing little lady plotting to steal your heart! She loves everyone and will always come over to greet Meows Corner visitors and get pets. Pookie is a confident, calm girl who knows how beautiful she is and would find fun in any home.

Children: Pookie would do well in a home with kids.

Other cats: Pookie does well with other cats and should have another cat friend in her home.

Dogs: Pookie hasn't been tested with dogs but should do well with friendly dogs after proper introductions.

Background: Pookie was surrendered with Paul Walker (adopted), Poppy, Cheddar (adopted), and MJ (adopted) when their humans were evicted. A 4Paws partner rescue in West Virginia took them in and saw how friendly they were, so she contacted the Meows Corner Coordinator to see if space was available for them.

Medical or special care notes: Pookie has been spayed, vaccinated against rabies and distemper, tested negative for FIV and FeLV, and is microchipped. She is eating Fancy Feast classic pate and Purina One kibble.
