

NAME: Soldier

GENDER: Male

DATE OF BIRTH:
November 16, 2023

FUR LENGTH: Short

COLOR: Grey tabby

Purrsonality: I am playful and friendly but also the most independent of my litter. I am adaptable to new environments and like other cats.

Children? I will do well with kids of all ages.

Other cats? I like other cats and will need another cat to keep me company and play with me!

Dogs? I have met a small dog, and 4Paws assesses that I would do well with dogs if proper integration protocols are followed.

Background: All 5 members of Soldier's litter (Tinker, Tailor, Soldier, Spy, and Spot) were the second litter of a female cat recently adopted from Meows Corner, who was surrendered with her sister to 4Paws because their owner is on limited income and could not afford to get them spayed. The owner was able to raise and socialize the kittens.

Medical or special care notes: Soldier has had vaccinations for rabies and distemper, is microchipped, and has been neutered. He has tested negative for FeLV and FIV.
