

NAME: Sybil

GENDER: Female

DATE OF BIRTH: September 22nd, 2024

FUR LENGTH: Short

COLOR: Black tuxedo

Purrsonality: Sybil is a playful and outgoing girl that gets along with other friendly cats.

Children: Sybil would do best with children 10+.

Other cats: Sybil likes other cats and will need another playful young cat in her home.

Dogs: Sybil has not been tested with dogs but should do OK with friendly, calm dogs after proper introductions.

Background: Sybil, Charlotte, Darby and Winston were found in a bad area of DC and taken into foster by a TNR volunteer. They were transferred to a foster for the café after they were altered. They are not bonded to each other but can be adopted together since they are littermates, and would make good companion cats for sole cats that need a friend.

Medical or special care notes: Sybil has been spayed, vaccinated against rabies and distemper, tested negative for FIV and FeLV, and is microchipped. She is eating Fancy Feast classic pate and Purina One kibble.
