

NAME: Smiley

GENDER: Female

DATE OF BIRTH: Aug. 14, 2024

FUR LENGTH: Short

COLOR: Grey/white tabby

Purrsonality: I am a young playful girl that does not like being outside and likes people and other animals.

Children? I would do well with kids of any age.

Other cats? I like other cats, but I can go by myself to a new home.

Dogs? I should do OK with dogs after proper introductions.

Background: Smiley was found outside crying from hunger in Hedgesville, West Virginia. She had already been spayed so she was someone's pet at one time. Although we don't know how she ended up crying at the door of a good Samaritan, she has gained weight and is safe and healthy now, and looking for a loving home!

Medical or special care notes: Smiley has had vaccinations for distemper and rabies, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.
