Background: Herb and Otis are two of four kittens born to Ellie Loomer, a Meows Corner alum. She was found outside in Alexandria when she was pregnant. Herb, Otis, and their two sisters Gertrude and Maureen were fostered with their mom until they were weaned. Ellie moved to the café but the kittens remained in foster until they were old enough to get fully vetted before coming to the café. Herb and Otis are ready to find a forever home where they can play all day and get hugs and smoochies from their human family!

Medical or special care notes: Herb and Otis have had vaccinations for rabies and distemper, are microchipped, and have been neutered. They have tested negative for FIV and FeLV. They are eating Fancy Feast classic pate and Purina One kibble.
