

NAME: Scottie

GENDER: Male

DATE OF BIRTH: May 24, 2024

FUR LENGTH: Short

COLOR: Gray tabby with white

Purrsonality: Scottie is a fun-loving young man that will roll over for pets and follow you around. He likes playing with other cats but will take time to warm up to strange people.

Children? Scottie would do well with older, quiet kids.

Other cats? Scottie has never been without cat friends so will need another cat to socialize with.

Dogs? Scottie should do well with friendly, calm dogs but he has never been tested with a dog.

Background: Scottie is one of seven kittens that Meows Corner alum Ruby had after she was rescued off the streets in Alexandria. Ruby and one of her kittens, Emery, have already been adopted from Meows Corner. Scottie's four other brothers are at the café and he would pair well with any of them.

Medical or special care notes: Scottie has had vaccinations for rabies and distemper, is microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble.
