****Bonded Pair****

Purrsonality: Even though I'm the bigger brother, I'm still very easy-going and good-natured. In my foster home, I loved to look out the window and chitter at the birds and chipmunks. I also love taking long naps and spending time with people.

Children? I would do great with kids of any age.

Other cats? I am bonded with my brother, Frisco, and need to be adopted with him.

Dogs? I have never lived with dogs.

Background: I was adopted as a kitten (with my brother, Frisco) from Washington County Humane Society. We had to be surrendered and are now looking for new forever homes!

Medical or special care notes: Emmit has had his vaccinations, is microchipped, and has been neutered. He has tested negative for FeLV and FIV.
