Purrsonality: Champagne is a young lady who has officially retired from motherhood and is ready to enjoy the good life she deserves with lots of adoration and affection. Playful, sassy, and full of personality, she knows how to entertain herself—and her people—when the mood strikes. She’s also a world-class loungeur who loves stretching out in sunny spots, soaking up warmth, and keeping a watchful eye on her surroundings. Snacks are high on her list of priorities, followed closely by comfortable lounging spots, pets and attention, and feeling safe in her space. Champagne is looking for a loving home where she can relax, be spoiled, and finally put herself first.

Other Cats? Champagne is a bit of a loner but can cohabitate with other kitties peacefully if they respect her personal space.

Children? Champagne would do well with older children (10+).

Dogs? Champagne is not tested with dogs but should be okay with cat-savvy dogs after proper introductions.

Background: Champagne had a litter of babies before she came to 4Paws. She was rescued and brought to Meows Corner to find her forever home.

Medical or special care notes: Champagne is vaccinated for distemper and rabies, microchipped, and spayed. She tested negative for FeLV and FIV. She has been eating Fancy Feast Pate (no fish flavors) and Purina One Indoor Advantage turkey kibble.
