

NAME: Emery

GENDER: Male

DATE OF BIRTH: May 24, 2024

FUR LENGTH: Short

COLOR: Grey tabby

Purrsonality: Emery is a happy and playful young boy that likes other cats and people. He is a gentle and polite kitten from a large cat family so is well-socialized with cats.

Children? Emery should do well with kids of all ages.

Other cats? Emery would do well with other cats and would probably enjoy having a cat friend in his new home.

Dogs? Emery should do well with friendly dogs after proper introductions.

Background: Emery's mom Ruby was found in the streets of Alexandria with her girlfriend Sky. They were both pregnant, so they were taken into foster for 4Paws. Ruby had 6 boys and 1 girl. Emery and Ruby are the first to be moved up to Meows Corner and the rest of Ruby's kittens are still in foster waiting for their turn to come to Meows Corner.

Medical or special care notes: Emery has had vaccinations for rabies and distemper, is microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble.
