

**NAME:** Latte

**GENDER:** Female

**DATE OF BIRTH:** Nov. 25, 2024

**FUR LENGTH:** Medium

**COLOR:** Brown/white tabby

**Purrsonality:** Latte is a confident girl who always carries her tail high and likes interacting with people. In foster she loved being brushed and would politely watch her foster parents cook meals, eat, and watch TV. When it was time to go to bed her foster mom would call her, and she would run upstairs to be with them. She doesn't really play because she prefers to spend her time sitting with people and looking out windows in a comfy cat bed.

**Children?** I would do great with kids of any age as a companion, I don't really play all that much.

**Other cats?** I like cats but can go as a single kitty.

**Dogs?** I should do OK with dogs after proper introductions.

**Background:** Latte was put outside when her owner moved. She went to doors looking for help but no one helped her. Unspayed, she got pregnant and gave birth outside. She was found by a woman who took her and her babies in and when the kittens were weaned, put her back outside. She got pregnant again and was rescued when she came to a door looking for inside access and food. She was brought to rescue and transferred to 4Paws for the café.

**Medical or special care notes:** Latte has had vaccinations for distemper and rabies, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.
