

NAME: Tabby

GENDER: Female

DATE OF BIRTH: July 16, 2024

FUR LENGTH: Short

COLOR: Brown tabby

Purrsonality: I am a happy girl that wants to be with people. My eyes are a little crossed, but I don't mind the gentle teasing the other cats give me over that. It just makes me that much more adorable! Besides, I can still see straight (get it?? See "straight"?? I crack myself up!) I would love to be a buddy to a special family.

Children? I would do great with kids of any age.

Other cats? I like cats but can go as a single kitty.

Dogs? I should do OK with dogs after proper introductions.

Background: Tabby was found outside in Ranson, West Virginia and turned over to a rescue after an owner couldn't be found. She is super friendly, so we knew she had to come to Meows Corner to enjoy some good play time with friends while she awaits a forever home!

Medical or special care notes: Tabby has had vaccinations for distemper and rabies, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.
