

**NAME:** Bramble

**GENDER:** Male

**DATE OF BIRTH:** January 30, 2025

**FUR LENGTH:** Short

**COLOR:** Gray tabby/white

**Purrsonality:** Bramble is a friendly, chatty boy that is very tolerant of carriers and car rides. He loves people. He is kind of a goofy, clownish kitty and is always up for another adventure, new toy, or a new fancy cat furniture acquisition.

**Children?** I would do well with children of all ages.

**Other cats?** I like other cats, but I could go as an only cat.

**Dogs?** I should do well with friendly dogs.

**Background:** Bramble came running out of the woods near a former Meows Corner employee's house in rural Maryland. Initially he was very scared but after just a day with her he calmed down and knew he was going to be OK. Gale and Clementine also were found about the same time. His rescuer arranged to get veterinary services done and worked with 4Paws to provide all three cats a chance at a safe, loving home where they could thrive.

**Medical or special care notes:** Bramble is vaccinated for rabies and distemper, microchipped, and has been neutered. He has tested negative for FeLV and FIV. He is eating Fancy Feast classic pate and Purina One kibble.
