**Purrsonality:** Eddie is a friendly, easy-going cat who prefers the company of people and friendly kitties. When he was in foster, he patrolled the area looking for the best vantage points to check out the birds and squirrels or finding a cozy bed for a cat nap. Eddie would do best in a low-mid energy home.

**Children?** Eddie would do well with respectful kids of all ages.

**Other cats?** Eddie is submissive and would do well with other friendly cats or kittens, or he can go as an only cat.

**Dogs?** Eddie will do well with friendly, calm dogs after proper introductions.

**Background:** Eddie was rescued by a 4Paws Rescue Team colony feeder when he began showing up for meals. She took him home to assess him and because he was so laid-back, friendly, and liked her cats, she brought him to Meows Corner to find him a home with people who will give him the love and care he deserves.

**Medical or special care notes:** Eddie tested negative for FeLV and FIV and has been microchipped. He has had rabies and distemper vaccines. He has been neutered. He likes both wet and dry food and will drink water from a fountain or a bowl. He is eating Fancy Feast classic pate and Purina One Indoor Advantage turkey kibble at Meows Corner.
