

NAME: Lightning (left) and Misty (right)

GENDER: Male and Female

DATE OF BIRTH: March 25th, 2025

FUR LENGTH: Short

COLOR: Gray/white tabbies

****Bonded Pair****

Purrsonality: Lightning and Misty are a bonded brother/sister pair! Lightning is more outgoing and confident. He will often explore new areas and situations before his sister does. Misty tends to be more shy and reserved until she has built up her confidence. They both love to play with toys!

Children? Lightning and Misty will do great with respectful kids of all ages.

Other cats? Lightning and Misty like other active cats but won't need them in their new home. They need to be adopted together!

Dogs? Lightning and Misty would probably do well with calm dogs after proper introductions.

Background: Lightning and Misty were found under someone's porch. An animal control officer was able to trap them and their three siblings. The other siblings were put up for adoption and Lightning/Misty were brought to Meow's Corner.

Medical or special care notes: Lightning and Misty are neutered and spayed, have had their vaccinations for rabies and distemper, and are microchipped. They have tested negative for FeLV and FIV. They are eating Fancy Feast classic pate and Purina One kibble.
