

NAME: Kate

GENDER: Female

DATE OF BIRTH: April 26, 2023

FUR LENGTH: Short

COLOR: Tortie/calico

Purrsonality: I am well-socialized with other cats and people, easy going, yet also playful and curious (I love lasers).

Children? Comfortable.

Other cats? Very comfortable, but not required.

Dogs? I have not been tested with dogs, but should be okay with friendly dogs if appropriate integration protocols are followed.

Background: Kate is from Beaufort, North Carolina, where she was found outside during a TNR (Trap-Neuter-Return) operation. Because she was friendly she was processed into the rescue systems and transported up to Virginia for integration into Meows Corner for adoption.

Medical or special care notes: Kate has had vaccinations for rabies and distemper, is microchipped, and has been spayed. She has tested negative for FeLV and FIV.
