

NAME: Penny

GENDER: Female

DATE OF BIRTH: June 13, 2024

FUR LENGTH: Short

COLOR: Torbie

Purrsonality: Penny is a sweet and friendly girl that likes playing mainly by herself and with people.

Children: Penny would do well with respectful kids of any age.

Other cats: Penny would do best as a single cat or with a submissive male cat.

Dogs: Penny showed interest in her foster's dog and should do well with cat-savvy mature dogs.

Background: Meows Corner was contacted by Sterling Park Animal Hospital about a stray that was dropped off at the clinic by a concerned citizen. The vet did not find a microchip which would indicate she was a lost pet. Meows Corner arranged to have her taken into foster with 4Paws. Loudoun County Animal Services was contacted and the cat's information transferred to them so they could file a "Found Pet" report on the LCAS website. After 5 days no owner had claimed her, so she was named Penny, taken to the vet and moved to Meows Corner to find her forever home.

Medical or special care notes: Penny has been spayed, vaccinated against rabies and distemper, tested negative for FIV and FeLV, and is microchipped. She is eating Fancy Feast classic pate and Purina One kibble.
